

Resuming Meetings

As you know the Ohio Department of Public Health (“ODPH”) has issued various Orders over the past several months limiting certain activities due to COVID-19. All of those Orders contained a ban on all gatherings larger than 10 individuals. Accordingly, we have advised members that we were suspending all in person meetings to remain in compliance with these Orders.

WE MAY NOW RESUME IN PERSON EXECUTIVE BOARD AND MEMBERSHIP MEETINGS. HOWEVER, WE MUST ADHERE TO THE FOLLOWING GUIDELINES AND BEST PRACTICES FOR SAFETY.

- **Provide adequate space for social distancing. This means the ability for individuals to be separated by 6 feet from others.**
- **Designating with signage, tape, or by other means to demonstrate 6 feet distance.
Clean and sanitize meeting space, including disinfecting all high contact surfaces (door knobs, chairs, tables desks, etc.)**
- **Provide hand sanitizer for all attendees.**
- **Do not serve food via buffet style or drink.**
- **Prohibit any member from attending a meeting that is showing signs of sickness including, fever, chills, shortness of breath, inability to taste or smell.**
- **Require attendees to wear a mask or facial covering;**

Thank you for adhering to the guidelines above. We will continue to monitor the requirements put in place to hold our Union Meetings and update accordingly. The monthly meetings will continue provided we can demonstrate these precautions keeping the continued health and safety of our members as the number one priority.

Stay safe and healthy!

WE CAN DO THIS TOGETHER!!
